O R D E R:

In the reference 1st read above, the Finance (FMU-WR.I) Department have stated that number of engineering works were sanctioned earlier even by relaxation of FRBM norms resulting in huge burden on the State exchequer. There is also a case for thorough review of ongoing projects as priorities have not been followed. Thin spread of resources is providing to be financially unwise. It is therefore, decided that all the Departments concerned will first halt works and do the following:

(i) Engineering works sanctioned prior to 01.04.2019, but not grounded are cancelled;

(ii) Works grounded but expenditure is less than 25% of originally estimated value shall be reviewed afresh. No payment will be done in this regard before obtaining orders afresh from appropriate authorities;

2. In pursuance to the above, in the reference 2nd read above, the Chief Engineer, Panchayat Raj, Andhra Pradesh, Vijayawada has submitted a report duly stating that there are 3543 number of works costing Rs.103117.50 lakhs were sanctioned by the Government under the PR Roads (Plain) Grant, under PR Roads (SCC) Grant and under PR Roads (STC) Grant in various G.Os prior to 01.04.2019. He has stated that the above works were not grounded and requested the Government for cancellation of works. The abstract of works sanctioned under this Grant which were not grounded are as follows :
